DaveFred wrote on Wed, 06 May 2020 13:44At the risk of beating a dead horse, Did you look at the Faital Pro 12PR3x0 series of woofers?

We've kinda come full circle. :)

One of the first drivers mentioned on this thread was a Faital driver. We were talking about Faital

I did look at several other Faital models too, including the 12PR300, 12PR310, 12PR320 and 12PR330.
