The last 7 songs on my Personal Favorites channel on You Tube:

Open Road
Can't Stay Away
Both by Keifer Sutherland (Yes, THAT Keifer Sutherland)

The Pretenders/Hymn To Her and 2000 Miles
The Eagles/Learn To Be Still. Live Hell Freezes Over Version
Don Henley/Bramble Rose ft. Miranda Lambert and Mick Jagger
Govt. Mule/Soulshine

None of these fit in any of my other channels, they all sound good together, so why not?
