Vaiger wrote on Wed, 19 August 2020 11:10 Why does Emmylou Harris look like Karen Carpenter in that photo? That look, to me, is beautiful in a very natural way. As if a witch conjured up women like that somewhere deep in the woods and sent them out here to enchant the men-folk with wine and song.

Grace, on the other hand, WAS that witch. LOL

Yeah, the earthy look is very attractive. Pat "kind of" has that, but not as much as Emmylou or Karen.

Grace was the wild one though, and some of the rumors about her were in line with the Stevie Nicks rumors. Kind of the same, but very different.
