As you know Martin DeWulf had passed away in late March from a heart attack. He had type 1 diabetes.

I just found out from Mrs. Laura DeWulf, that their only son, Jason has passed away from a heart attack yesterday.

Jason was only 36 years old. He did not have any form of diabetes.

Of course all inquiries and dealings are now suspended.

My heart just sinks. I ask for your prayers for Laura DeWulf and sister.

Sincerely,

steve
