Subject: Disappointing year Posted by Lost the Remote on Wed, 07 Oct 2020 15:31:44 GMT View Forum Message <> Reply to Message

Is it just me, or has it been a bad year for new movies? I went to the movie theater several times before the pandemic struck, yet none of the films stand out in my mind. I think the most disappointing for me was Exit Plan which was hard work getting through it. Have you seen any great movies lately?
