There are some gems hidden among the rubbish. I'm not a fan of David Spade, but he stars in a good rom-com called The Wrong Missy that's enjoyable to watch. The Platform is also fairly recent, and it has a fantastic twist. It's a bit like Snowpiercer but not exactly like Snowpiercer - if that makes sense. The Ballad of Buster Scruggs is a bit older, but if you're into westerns with a lot of action then it's another good one to watch.
