Subject: Re: Sex and the City without Sam Posted by sammi40 on Fri, 22 Jan 2021 12:56:04 GMT View Forum Message <> Reply to Message

I did see that news and I was surprised but then again not surprised. A lot of actors and actresses that were original don't come back. I am not interested in watching the new show without Samantha! Then again, I've matured and my taste in shows has changed so I probably wouldn't watch it if she was back.
