I also like to eat M&Ms. Ever since I was a kid, I would eat Twizzlers and M&Ms together at the movies. Strange combination, I know, but I've eaten M&Ms and Twizzlers at every movie I've gone to see in theaters since I was eight. I'm not stopping now!

I forgot about candy! :p Pizza is wonderful, don't get me wrong, but I also enjoy a Take 5 bar (or two, or three...) during a movie night. Dark chocolate is also a good choice. Even though I'm always going to eat my vegetables during a movie, I'll admit that sometimes I'll sneak a piece of 85% cocoa dark chocolate. Chocolate doesn't feel like candy when it's really bitter! :lol:
