A couple more if interested. Wouldn't be proper watchin westerns without the Duke. The Man Who Shot Liberty Valance is a good'n. Lee Marvin plays about the meanest hombre around until he meets up with Jimmy Stewart. What? Watch it an see pilgrim. Ya Ho.

And last, is the the last, movie that is that John Wayne did before passing. The Shootist. The Duke ain't got long to live in this irony true to his real life. And he goes out guns blazing. Good story line. With Lauren Bacall, Jimmy Stewart again and Ron Howard.
