Rusty wrote on Fri, 09 April 2021 13:20It's my standard go to in the car. I love Science Friday with Ira Flatow. I pronounce him, Ira Playdough. I'm a PBS devote as well. The public domain is the name of the game. And that is high quality news and informative shows. Plus great entertainment with some of the drama shows.
I love Science Friday! I always learn something new and it's a great way to end my work week. I also love listening to The TED Radio Hour and Wait Wait Don't Tell Me. There's so many high quality shows out there on NPR and I wish that more people listened to them.
