gofar99 wrote on Thu, 20 May 2021 21:33 How does one steal a LP?
That's what I want to know! I asked, but the guy running the section that day didn't know and was just as baffled as I was. Although I'm aware that thieves will target anything of value, I always thought stolen records would come from personal collections and were taken from homes, garages, storage sheds, or something of that nature.
