Raymond wrote on Tue, 06 July 2021 07:50I haven't seen The Room yet, in part because I don't want to waste my time with a film that I know is bad. But if it's that funny, I might have to check it out after all. Do you know if it is on any streaming services?
At one point, I believe you could stream it on YouTube. But I don't know if that's the case anymore. My friend owns a physical copy, which is how I watched it. Maybe you could check and see if your library has a copy of it?
