Zart wrote on Tue, 20 July 2021 01:47I'm in awe watching that show. It's incredible watching the artists draw calmly and accurately over someone's skin and with no room for mistakes. It's brave of them to choose detailed illustrations given its difficulty.

Quote: Does anyone know where I can watch it?

You can look it up on YouTube. :)

Marvelous! Thank you so much :) I'll look it up! I'm also going to check my streaming services and see if it's on any of those. Hopefully, Netflix has it.
