Subject: Re: We Need More Women Posted by Souldude on Mon, 23 Aug 2021 03:19:34 GMT View Forum Message <> Reply to Message

Who knows, women might have unnoticeably contributed a lot to the industry. There can be producers that aren't given proper credit for their works that I've thought this can be a factor. I agree, though, that the industry in general needs more women. Since, aside from diversity, this will also support inclusion.
