Subject: Re: Radio's Popularity Posted by gofar99 on Fri, 24 Sep 2021 02:52:06 GMT View Forum Message <> Reply to Message

Hi, indeed. We have gotten a bit OT and should allow folks if they want to comment on the main topic to do so. If there is sufficient interest, start something in the dungeon that is apolitical but of a nature that it won't offend our members. After all this is a site for audio enthusiasts. There are already many other sites for political commentary.
