Rusty wrote on Thu, 10 March 2022 07:46Just look around in your local big box store's. There's some pretty reasonably price tv's from what I've seen.
There's been an uptick in plague cases here, and I care for elderly family members, or I might consider it. Really, though, after staying out of the store for so long, it just feels wrong. That, or I'm too lazy.
