Subject: Re: What was the easiest instrument for you to learn? Posted by Beck on Fri, 13 May 2022 16:54:19 GMT View Forum Message <> Reply to Message

The piano is probably the easiest to learn for me because all you have to do is know the notes. It's not that difficult compared to other instruments since it's similar to playing the keyboard. Like all others, it's also easy to forget when you don't play regularly.
