Subject: Re: Drapes or Curtains Posted by Curry on Thu, 14 Jul 2022 12:39:05 GMT View Forum Message <> Reply to Message

The difference is not substantial with drapes or curtains. I see some theatres use both. There are other considerations like the wall paneling, furniture, and flooring since everything in the room will want a share in the good distribution. There will be much more done to a room to bring in the quality of a theatre.
