If you're looking for a string instrument, you could visit:

Finally, if you're wanting to play a brass instrument, take a look here.

Or if you still do not know what instrument to learn, we have a great article called 10 Tips To Quickly Figure Out What Instrument You Should Be

Playing <https://teds-list.com/tutorial/10-tips-to-quickly-figure-out-what-instrument-you-should-be-playing/> that you should like.

I do hope this is helpful, and we have a great comments section where you can ask any question and a pro musician will answer.

Good luck!
