LOL! LOL!LOL!
Yes!, a pause in the last verse right before "Everybody wants you"..... That sounds hilarious! :lol:
Very embarrassing indeed! :lol:

I did that once to a "Cars" song....
I can't remember which song, but they were pretty big in the early 80's
There was a pause in the lyrics with silence just before. I was in a car at the time (we weren't drinking but definitely smoking) so only remotely embarrassing for me with only two others! LOLOLOL.
