Hi, A good thread. For nearly three years our family has kept mostly apart so our Christmas gift was a family get together with all the trappings. All 12 of us. The best part was that for the first time in nearly 30 years we didn't have to host it. Our eldest daughter did. She wasn't even prodded to do so. Truly amazing and wonderful. I hope your holidays were as good and the new year brings you health, happiness and good fortune.
