The Svetlana Wing-Cs are breaking in nicely. Installed the Mazda chrome plates (12ax7) and the Ediswan 6922 today. Still waiting for a set of Mazda 12au7s. So far: my love life is much better; I think my hair is growing back; and the kids are doing better in school. I really need others' opinions about what to do next; so, I feel a wrongsideofthetracks coming on shortly. Do you have a list of your reference music (CD) somewhere?.....Colin
