Subject: Refurbishing An Old Radio / Turntable Posted by Kingfish on Mon, 06 Feb 2023 00:27:16 GMT View Forum Message <> Reply to Message

Are there any stores that specialize in items needed to restore very old audio equipment? I have no idea how old this item is, except to say that the turntable is built like nothing I've seen before. I can take pics tomorrow, and send them here shortly after, but I was just wondering if the typical home improvement stores would have what I need, or should I look elsewhere?
