Subject: Re: How Does This Happen? Posted by dervlin on Thu, 11 May 2023 20:37:52 GMT View Forum Message <> Reply to Message

Maybe they're resellers. I suppose they could also be people who inherited a number of albums from relatives and are keeping them for their sentimental value, rather than a genuine desire to hear the music. That number still seems high to me, and I question its validity.
