Getting really close to LSAF 2023!

I'm bummed though - I can't attend this year - so I'm watchin' from the sidelines.

But Steven Solazzo and Norman Tracy are takin' care of business in my stead. They've always been an integral part of LSAF, and they're old hands at this deal. So if you need anything, please reach out to one of them.

We'll still post the exhibitor list with room numbers here, and follow up with pics.

By the way, we received three cartons of AudioXpress magazines today so I sent them to the hotel. Be sure and pick up a copy while you're there. AudioXpress always runs a half-page LSAF advertisement in issues prior to the show, and they send free magazines for everyone that attends.

And Norman Tracy wrote yesterday to say YouTuber Jason "The Audiophile Junkie" will be at LSAF 2023 providing coverage. So we'll have both E-Zine and YouTube coverage this year.
