Which horror show takes the number one spot on your list? Halloween seems to bring them all out for viewing on cable, but for me, it's not even a competition as to which one I'll bother to see. The original Exorcist creeped me out back when I was a kid, and it still gets to me today. My oldest boy saw it at a friend's house this past weekend, but he was barely fazed. Since it's not a high-tech CGI show, the story was largely uninteresting to him.
