My girlfriend watches The Last of Us and is a dedicated fan of the show. I don't know why she likes it so much, because it makes her cry her eyes out. When Sarah died, I thought my girlfriend would die along with her. She gets deep into it. I can't say that I like the show, but I did enjoy the video the game that it's based off of.

I haven't seen many great TV shows this year, oddly enough. I guess Poker Face comes the closest. It's pretty funny and entertaining.
