I follow the NFL LA Chargers. On the forum dmac_bolt said " I am always positive, that part is true. I don't believe in negativity, it sucks the weak and the lost into a vortex of perpetual failure. I am never afraid to hope to win tomorrow and I don't believe a loss last year means next year is doomed. If I fail, I get up, I dust myself off, and I try again vs whine about how I'll never succeed. "
