Subject: Sonic Difference between New Tung Sol 6550 vs KT120 vs KKT150 Posted by positron on Mon, 22 Jul 2024 04:49:21 GMT View Forum Message <> Reply to Message

Has anyone performed a sonic comparison between the three tubes? Do they sound exactly alike, or sonically different? If different, can you explain the difference? If not, that is ok.

What about longevity?

Thanks
