Dude, that's cool. I had to do a little lookin' around to understand your reference to "his dad." Then I realized that was Jerry Lewis' kid. Too cool! Good band, good sound. Good times music!

I love that kind of music. The 60s gave us both that kind of music and the more surreal, and I like 'em both.

I bought the Fleetwood Mac album you showed above, by the way. Should be here in a few days.
