Subject: Re: Prayers for Israel Posted by Rusty on Mon, 30 Sep 2024 19:17:12 GMT View Forum Message <> Reply to Message

This Aussie gal really punches hard with her blog. And what she says about Israel is a subject ignored by our corporate press we get most of our information from. They really don't do a very good job with their journalism standards. Caitlin's blog fills in the gaps most Americans and Europeans probably don't want to hear. Certainly our government officials.
