Did you know you're on the LoneStarAudiofest.com website?

Not sure why there's a photo of me but it's nice you have some photos of John in the mix. Miss having him around causing trouble.

Was kinda hoping there would be more show photos posted by now. For all of us that aren't there it's time to look at all the toys!

Hoping the delay in posting photos is because of all the interested folks keeping you guys busy.
