Mr. Hudson I presume.

Go ahead let your hair down and get out of your comfort zone with what crap our country is and has been up to for decades on end. Its disgusting. Planning, scheming and implementing. It reminds me of the movie, The Goodfellas. Doing whatever they wanted to do. They had it all and nobody could touch them. Till it all came down on them.

P.S. Herman Khan back then was the prototype for the character Dr. Strangelove.
