Among the many reasons, this Israel murder racket is the prominent reason for a vote of no confidence for our government. It is corrupt. No morals, no ethics, no humanity, just money and power and greed. We do not have a democracy. It is a plutocracy. A bunch of rich guys and gals that buy the government off to their satisfaction.

Trump tells Israel to 'finish the job' against Hamas weeks after suggesting ceasefire deal in sight

Hamas is literally, The Palestinians. All of them. And the worn out pretext of "Hamas" hanging around starving people as justification to shoot them all is as bogus as what the whole genocide reason is. Using the pathetic cover of being antisemitic to criticize Israel's and the United States for this corrupt tragedy to occur from the get go.

I would hope, "a fantasy" for some kind of vindication. Maybe like a Nuremburg sort of trial for the officials who allowed and planned this abomination to have occurred. Maybe hemp necktie's for some of them.
