Silver wrote on Wed, 17 May 2023 07:47 Yeah, I think Top 10 lists in music have worn out their welcome. I can't see any reason to follow them anymore. Maybe it's just a marketing tool now, I don't know.

It might matter to many people while others became uninterested for Top lists and decided to unfollow them. Top 10 Lists in music have tried, getting over the era while people are not interested anymore, it might be a marketing tool as you said.
