Becky wrote on Sat, 04 October 2025 13:25 The new model of singing or doing new things are not interesting to me but I always feel happy whenever I see the old stuffs or listen to old songs. The old days were smooth and lovely for everyone back then.

Those old songs remind me of the good old times. Sweet memories that I've missed and listening to songs by Michael Jackson makes me say that he was the king of Pop!
