Newjack wrote on Tue, 12 February 2019 11:03I prefer to buy my records from a local shop in town. They always have a great selection and very low prices. It's much more expensive for me to purchase records online. Barring access to a good local shop, I'd recommend Discogs as well. I get some will say that I am old school, but this is my preference when it comes to getting songs. I have three music shops in my neighbourhood and it is rare for them not to have the type of songs that I am looking for. Streaming online or trying to get songs online has not been my style.
