Becky wrote on Thu, 02 October 2025 08:25 There was one movie that I have seen couple of times named Five Feet Apart. It made me to view society in another way of life with a different meaning.

Being kind to people of any race dealing with sickness, respect infection rules more seriously and also show people with illness some love and equal respect.

The movie that truly showed me what life is all about was 3 idiots. I watched that movie when I was dealing with a lot of issues in life and the movie truly helped me take life step by step.
