Becky wrote on Sat, 04 October 2025 13:19Beauty and the Beast 2017 was a good movie. There was another movie after this one, I think it was the continuation, but I didn't like it the way the first beauty and the beast made a lot of sense.
That sequel didn't live up to expectations. Poorly written story that makes it look like they didn't take their time before producing that movie.
