Rusty wrote on Thu, 30 July 2026 16:28 I don't care if my singing is good, bad or indifferent. I like singing in the shower. Gettin clean lathering up are just made for it. Let yer hair down work up some bubbles and cut loose with a melody. It's good for you.

It hits differently when you are listening to one of your favourite songs. You might be tempted to stay longer in the bathroom.
