gofar99 wrote on Mon, 14 May 2012 16:52Hi Another problem with all types of sites is the reviews. A number of less honest ones are writing their own "glowing" reviews. I've, in the past, fallen into the trap of getting items on such sites after reading some "positive " reviews. Turns out the reviews said a different thing about what I got. I've been pretty careful about those lovely reviews since then.
