Rusty wrote on Thu, 23 July 2026 16:18The orchestration you refer to as beats. A big band R & B backing is great too. That's part of the whole charm of the song and music in general. That's what gives me pleasure listening at least. The total package.

Now I get it

The fun is complete when you get to feel what a good song is all about when being played by these popular bands.
