gofar99 wrote on Sat, 22 August 2026 20:28For a really great movie I suggest that the original release of Space Odessy 2001 in sourround.  More recently The League of Extraordinary Gentlemen was rather good.  Even more recently Star Wars 9 was pretty good.  Most movies other than them are not able to hold my interest.
Star Wars already got the chapter 9? I never knew that.

Thank you as I will try to see the movie soon.
