Hello Wayne, Just thought that you might like to see the finished Pi One Towers. Am I happy? You Bet!!! Great speaker, everything I had hoped for. Wont say anything more as it is just too soon since they are only running for a few days ... more later..Next in line is the Tower Two! Best Regards Derek

Thanks for the kind words... Paint job was done with gloss paint and a roller!!!! Yes, I too was

amazed with the finish ... first time I used a roller with gloss ... it looks like it was sprayed .. I will never use a brush again!!! Cheers, derek

Nice work, Derek. I like those Northcreek Zen caps too! They are audibly smoother than Solens and Dayton's. Here's a tip for anybody who wants to upgrade the tweeter cap in their One or Two Pi's: Northcreek is having a final clearance sale on their caps, and the 10uF is on sale for \$7.
