While doing "research" on Melanie for the lyrics to her song "Brand New Key", I noticed that the song is listed as one of the Top 40 Worst Pop Songs of All Time on the amusing site linked below. Hey, the scary part is, when I hear "MacArthur Park" on the radio (about once a decade), I turn it up and sing along. Same with "Ode to Billie Joe."

Jack Nicholson Produced it no? I like the Dolphin Song, And Mickey says,"Never lend money to a man with a sense of humor." Looking at that show now it sure beats VH1. Or the ALL Rap All the Time MTV.

You know what - I think you're right. I remember hearing once who the producer or director was, and I remember being surprised.
