The drugs in America must be getting stronger or something. The funniest thing about this movie was how un-funny it was.

A few phrases to avoid when looking at dvd labels: HipSmartQuirkyWith it and "Sweet".... I'll have to add that one. I couldn't believe anyone was stupid enough to say it in print. It looks like it may be related to Young Einstein or something. I have been immersed (?) in Stargate SG1 episodes for the last couple weeks. And Linux.
