I already had some Alpha-8's and I couldnt find where to order the vifa tweeters and x-over on this site so i had to order from another place ,forgive me . I did order the 4-Pi x-overs. Where do you get the Pi emblem ? Another Question could you show the internal bracing on the 4-Pi's ? Thanks the 1-Pi's are Excellent!!! A+ and are probably the most overlooked speaker you have. I would not believe the sound without hearing them myself.
