John Lee Hooker with Santana. I think the disc is called 'Chillin'.Always liked Hooker and have a few discs. Never really thought that much of Carlos and frankly there's nothing here to gete xcited about but it's the best 'late' John Lee and by far the best recording I've heard.

Johnny Lee did a nice TV special with Bonnie Raitt and Buddy Guy with Pinetop on keyboards and special guest artists. I think it is on DVD. Nice stuff. One of my favorite songs; Carlos and Wllie Nelson,"Gone To Mexico."
