Not yet, but we almost saw it this past Friday. Planning to see it next weekend. Did you see it? If so, was it good?

Oh, wow, I didn't know that. I just saw that it stars Sandra Bullock, Don Cheadle, Matt Dillon and Brendon Fraser. Is the story sort of like American History X? I didn't really know what the movies was about, just that last Friday we all couldn't make up our minds whether to see Crash or Mr. and

Mrs Smith. We decided to see Smith, then Crash next weekend.
