Igby goes down is a great film. Its an indy flick with Bill Pullman, Claire Danes, Kieran Culkin, Susan Sarandon, and Amanda Peet. Its sort of a sad story but the lines are freakn great. Some of the best I've heard in a long time.

She's a babe. But she moved in on Igby's brother, bummer for Igby.

True, but can you blame the brother? I mean she's, you know, a babe...
